

John O. Leitner, DDS, PLC

Microscopic Enhanced Dentistry

MISSION STATEMENT

Our mission is to LISTEN first so we can deliver individualized, uncompromised care.

Our purpose is to SERVE.

Dr. Leitner and his team are committed to excellence in creating optimal oral health care for each individual within a comfortable environment so that every visit is positive.

Our practice offers unique, state-of-the-art services to provide you with advanced knowledge that allows you to make informative decisions which otherwise may be difficult.

We presume you want the finest dental care for your family, so informing you of all your options is our responsibility. Ultimately, you are in control of your treatment choices and we will respect and honor them.

We appreciate your trust in our team with your family's dental health. We strive to create happy & healthy smiles.

Our practice is a family and we care for you like family!
